

ARE YOU READY TO DO SOMETHING EXTRAORDINARY?

Vance Brown believes most men are discouraged. They're worn out and wondering if their best days are behind them. Vance knows the feeling. There was a time he felt more dead than alive, but his friends still believed in him. "Have courage," they urged. "God needs you, here, now . . . this day."

That's what this book is about, men who stand up for each other and fight for things that matter. It's about men who fail but get back up and try again. Far from platitudes and pat answers, these are gritty pages that bleed, stories about ordinary men who are doing something extraordinary—choosing to live fully, no matter the cost. Answering this noble call is not easy, but you will never regret it.

"We were absolutely rocked . . . by the overwhelming feeling that God is using these pages to awaken something in millions of men who instinctively know they are called to be part of a larger story."

—From the foreword by Jeff and Shaunti Feldhahn,
